Sitemap Writer Pro Download [Mac/Win] [Updated]

Sitemap Writer Pro is a flexible and powerful SEO tool that can make a sitemap and submit it to search engines. The application will create a fully working sitemap that can be embedded into any website in no time. The sitemap is based on the XML format and contains URLs for all the pages on your site. It can be built using a simple XML configuration file or via a simple wizard. With Sitemap Writer Pro you can build both HTML and XML sitemaps, HTML sitemaps are simply embedded into the web page that is displayed by the main window. XML sitemaps are more versatile as they can be hosted as standalone files and can be more easily embedded into other pages of your site. A fully functional crawler enables you to manage URLs and URLs excluded from the sitemap with ease. URLs can be excluded from the sitemap either in the XML file or in the main window. Sitemap Writer Pro Key Features: - Build and submit a sitemap based on the XML format - Build HTML and XML sitemaps - Add URL to exclude from sitemap - Include files from FTP server or from hard disk - Generate images, video and map sitemaps - Validator to make sure no broken link is included - One click to save XML sitemap as a file - Built in support to make sure all URLs are crawled - Built in support to make sure all URL of the excluded are not crawled - Support for mobile platforms - Dynamic content support - Automatic image optimization - Record detailed statistics - Bookmark support - Mobile themes support - Save stats to export XML sitemap - Built in support to make sure all URLs are crawled - Built in support to make sure all URL of the excluded are not crawled - Dynamic content support - Markdown support - Live preview - Crawling of URLs - Customizable themes - Http to https - Easy SEO optimization - Easy SEO update - Search engine support - Submit sitemap to Yahoo, Bing, Google, Dmoz and Baidu - Fast and precise crawler - Save sitemap with URL in url format - Multiple backup - Supported languages are English, Portuguese, Russian, Czech, Slovak, Ukrainian, Turkish, Thai, Indonesian, Spanish, Greek, French, German, Hindi, Hungarian, Italian, Korean, Polish, Polish, Portug
