The whole “integration” of the different parts of our business provides us with a unique perspective on the healthcare industry and its many facets. Dr. Linda is the CEO and President of Mobile Care Medicine, Inc. Mobile Care has 2,000 physicians and 25,000 podiatrists, which makes it the largest podiatry organization in the country. Their network consists of a national footprint of convenient podiatry clinics with highly trained advanced medical professional and certified registered nurses to provide professional care. Mobile Care also provides service to approximately one-third of all Medicare patients. Mobile Care is one of the first comprehensive rehabilitation/medical provider companies to launch a completely new innovative mobile health delivery platform that provides podiatrists, chiropractors, physicians, physical therapist, and nurse practitioners with instant access to a new, built-in platform that allows them to offer “virtual” access to care from their current location. Mobile Care can be accessed anytime, anywhere with just a smartphone.

Mobile Care’s primary product is a text-based care management system called “CareCall.” It is a proprietary mobile care platform that makes online care simple and easy to understand. CareCall’s clinical portal includes tools for professional billing, scheduling, patient monitoring, maintaining accurate, up-to-date medical records and digital prescriptions, patient access to medical records and provider availability, and reimbursement claims. CareCall makes it simple for podiatrists and all healthcare providers to enhance the care of patients. Services In January 2012, Mobile Care launched a strategic partnership with telemedicine company, Lighthouse Telemedicine. Lighthouse, based in Seattle, provides healthcare providers with affordable and secure telemedicine solutions, focusing on low-cost care and reducing healthcare costs. The mobile care medicine system is available to healthcare providers and patients across the United States and in Latin America. In addition, Mobile Care also provides a nationwide network of convenient podiatry clinics. Mobile Care offers podiatry services in 26 states: Arizona, California, Colorado, Florida, Georgia, Illinois, Indiana, Louisiana, Maryland, Michigan, Nevada, New Mexico, North Carolina, Ohio, Oklahoma,
