If you want to find out what this woman did to save so much money, and what you can do to save as much money as her, read on. Extreme Couponing Tip: Be sure to collect all your coupons before heading to the store. There's nothing worse than having to dig through a stack for a coupon, then realizing you don't have enough! Extreme Couponing Tip: Clip out only the coupons you are going to use. You can throw out the unused coupons at the end of your shopping trip. When you take coupons to the register, the cashier will scan your coupons, not read the actual values, so you want to make sure you are taking home only the coupons you are going to use. This will save you time and will save you money! When Teresa first went grocery shopping, she knew she needed to have more than one item on her shopping list, so she decided to have a fruit juice and a cereal on her list. She made a list and stopped at a local grocery store on her way home from work and bought just what she needed. Teresa had plenty of additional coupons for cereal, but because she only had one item on her list, the store didn't want to give her any more coupons. Luckily, she had several printable grocery coupons that she brought with her and was able to get a box of cereal, a juice box and a box of juice for only \$0.57. Teresa called her coupon friend, as she knew she couldn't buy enough coupons to fill two baskets of cereal and two boxes of juice, but she did pick up enough coupons to
