experience points that you can use to advance to a new class.

- Destination Management
  - It starts from your character's home town and other towns have different attributes. The variety of towns allow you to choose the town suited to your play style.
  - A variety of quests and side-quests from friendly neighbors in town are available. Bring friends from far away and enjoy an interesting story with them.
- Customization
  - The character's appearance can be customized from the collar and hat, to the hair, plate, and boots. Along with building a character you can enjoy character creation that gives you a powerful game, for example, a character that can wield two weapons at the same time.
  - Even the name of your character can be changed!
- Runic Skills
  - You have been traveling for years? Roam the various regions in the Lands Between and put your Runic skills to practice. You can also construct a fire castle and level all the way to the top with power and skill. Overcome challenges, befriend and form relationships with folk from the various villages, and encounter adventures that reward you with money, goods, and rare equipment.
- Conquest System
  - Gather your allies to forge an army and conquer the country. You can recruit a large army through a variety of methods: defense building, training facilities, or trading fairs. There are a variety of items to fight with in the Lands Between to cater to your tactics and play style. Let your army march in formation and take down your enemies.
  - As your army's conditions increase, you are granted new powerful skills to demolish your foes.
  - In-game events occur unpredictably. Research and apply the skills that you acquired to head off the unexpected events in the game.
